

Annual Equal Employment Opportunity (EEO-1) Report

Companies with at least 100 employees based in the U.S. are required by the EEOC to submit annual EEO-1 reports for their U.S.-based workforce. While the EEO-1 report does not cover our global workforce, we believe transparency is important.

We're proud to share these demographics as of Dec 31, 2023. Our annual filing with the Equal Employment Opportunity Commission (EEOC) includes the official EEO-1 report, and we use the EEOC's job guide to categorize employees. The data is based on self-disclosures.
