POWERING POTENTIAL DOUBLE YOUR IMPACT & OUTREACH

We thank you for considering a sponsorship! You truly are doubling your philanthropic impact and you can be assured that we take the responsibility and due diligence of leveraging each and every dollar raised very seriously with maximum impact and accountability. We look forward to a wonderful time spent with friends and business colleagues at some pretty terrific events!

Since inception in 2010, the Albemarle Foundation and Care Fund tournaments have made over a \$2 million impact! \$1.44 million has gone to educational initiatives and \$755,000 into the Albemarle Care Fund. The Albemarle Care Fund is a public nonprofit which assists employees and retirees around the globe who experience financial hardship due to natural disasters, life threatening illness or injury, death or other catastrophic circumstance. All proceeds from the tournaments support this incredible fund, and all sponsorship checks should be written to the Albemarle Care Fund.

ADDITIONALLY...Albemarle Foundation receives a match by the Albemarle Corporation of all dollars brought in through sponsorships and individual ticket sales. These dollars are distributed through the Albemarle Foundation and target educational initiatives. Since 2007, the Albemarle Foundation has granted over \$35 million into the communities where we live and operate.

THAT'S WHAT WE CALL GROWING THE GOOD!
